

BUILT WELLS Photographic Club

COMPETITION RULES (updated 17/01/2024)

Entry to club competitions is restricted to fully paid-up members of Built Wells Photographic Club but anyone is welcome to attend competitions and other meetings to find out more about the club.

There are **four classes of competition**, with a winner decided for each. The judge's decision is final.

1. Colour prints
2. Monochrome prints
3. Coloured projected images
4. Monochrome projected images

Members are allowed a maximum of four entries for each competition, across all or any of the categories, and scores will be given out of 20.

Entries may be home or trade processed. The use of digital imaging is allowed but the original image must be the work of the author.

We specify sizes for mounts so that images are ready to be considered to go forward to external competitions.

Prints:

Max Size 13 x 19 inches Min Size 5 x 9 inches (Size does not include the mount)

Prints must be suitably mounted using a 50cm x 40cm mount and marked with a title and member's name.

Projected images:-

All projected images submitted for club competitions should ideally be sized to:

a maximum of 1600 pixels x1200 pixels

Projected image files should be uploaded to Photoentry prior to the deadline for the competition.

If you do not have a login for Photoentry, please email Competition Secretary Jane Kerr at

bywater@castlecrab.com

Some judges will require images up to two weeks in advance.

Entries to club competitions which have not gained a first or second place may be re-entered into one further club competition.

Interclub competition selection criteria:

- 1 Any image that scores 20 marks given by external judge
- 2 Any image that gains a first place given by external judge
If this does not result in sufficient entries a shortlist will be compiled including:
- 3 Any image that gains or ties for second place
- 4 If needed, images scoring 18/19 can also be shortlisted

- 5 A selection team of three persons will select final images
- 6 Selection team to be chosen by club members
- 7 All images to be mounted using a 50cm x 40cm mount
